### Overfelt High Named For East Side Pioneer

Mr. Overfelt was born in 1826 in effort established himself finan-Missouri. He left Missouri in the spring of 1849 as a pioneer in the gold rush days. Like other pioneers

he tried his hand in gold mining near Placerville and in Mariposa County where with much work and

cially independent.

As a single man himself, Mr. Overfelt decided that a school for the Penitencia Creek area children was needed. Therefore, he donated one acre of his land for a school.

In due time Mr. Overfelt married, sold his Berryessa ranch and obtained 140 acres on McKee Road where he established the present Overfelt ranch. Along with two of his neighboring ranchers he established and made available to all of the area children a school, the first free public school on the East Side. Mr. Overfelt was made one of the first trustees.

Miss Mildred L. Overfelt, being the only direct living descendant of Mr. William C. Overfelt, who died in 1875, still resides and owns the original ranch on McKee Road and was a teacher and then a member of the board of trustees of the Pala School District.

### Meet Mildred Overfelt

By LINDA LEBSCH and DOROTHY PETRICK

Although most Royals are familiar with the fact that our school, William C. Overfelt, was named for an Eastside pioneer of education, very little has been mentioned about William C. Overfelt's family, goals and personal life. To find out more about Mr. Overfelt and the educational facilities at that time, Miss Mildred Overfelt, the only living daughter of Mr. Overfelt, was interviewed.

Miss Overfelt pointed out that in the 1850s and 1860s public education was not available to the children on the Eastside, Mr. Overfelt had already donated land for a school in the Berryessa district. However, when he moved to Mc-Kee Road, he and two neighbors, Mr. McKee and Mr. Wood, founded the first public school on the Eastside.

#### First Eastside Public School

This school, located in the present Pala district, was a one-room structure which held all eight grades. Miss Overfelt and her four brothers and sisters attended that

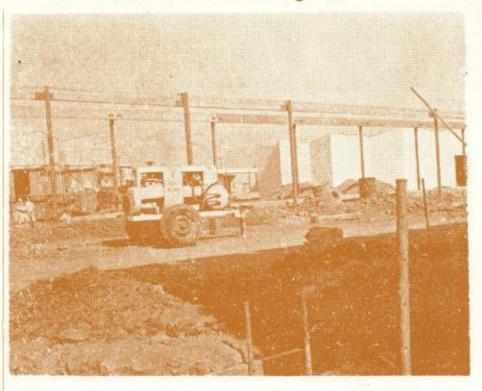

school, and Miss Overfelt later taught there herself. She taught 54 pupils ranging from first to eighth grade. Miss Overfelt became aware that the students had no games or recreation equipment to play with at school, and with her own money, purchased a bat and ball and a croquet set for her pupils. As Mr. Crocker, Miss Overfelt's business manager puts it, "Miss Overfelt was actually responsible for starting the first athletic program on the Eastside."

Miss Overfelt feels quite certain that her father would have been very proud of the progress that has been made in education and of the high school that has been named in honor of him. She said that he was a very strict, fair and religious man. At the Overfelt ranch, work was never done on Sunday. She still carries out that wish of her father every on her ranch.

Miss Overfelt now lives on her McKee Road ranch that was planned by her father and later

The delay in the building of the high school was caused by a labor strike earlier this year.

Overfelt has already gained recognition for its fine architecture. The air-conditioning, round buildings and general layout of the school have been especially noticed.

W. C. Overfelt will also have two classrooms with carpeting. The carpeting has been donated as part of

As the 1962-63 school year begins, we are very proud to welcome W. C. Overfelt High School as a functioning unit to the East Side Union High School District family.

Due to circumstances beyond our control, the staff and student body W. C. Overfelt High School must hare quarters with James Lick High School for the first couple of months of this school year. It now appears that the W. C. Overfelt High School will be completed about the middle of December.

The student body of W. C. Overfelt High School will have a golden opportunity to develop meaningful happy and successful school year.

and worthwhile traditions. You are encouraged to work hard and make certain that your school rapidly becomes a leader, in all fields, among the high schools of the area.

A very capable teaching and administrative staff has been provided for your instruction and guidance. Be mindful of the many opportunities available to you and take advantage of the expert assistance the staff can provide.

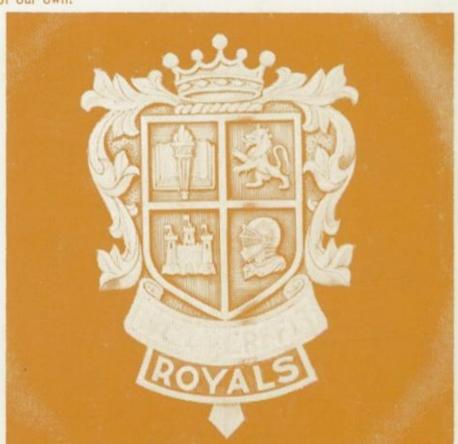

We know that you look forward with pride and determination to make this year, your first at Overfelt, a truly successful and profitable experience.

Are you feeling a little bewildered and confused? If so, you're one of 1,700 other Royals who feel this way too.

Perhaps you were one of the hundreds of students who tried to get in or out of the parking lot around noon today? Maybe you were the Royal who was sent to the Dean of Students and spent the entire third period looking for his office? Or did you wait patiently in the milk shake line all B period and then barely put your change away when the bell rang, leaving you with one slightly used milk shake?

Although these problems, and others far more serious, will face us for several months, we can make these months an example of the Royals' spirit and enthusiasm. The stay at Lick can be the first of many opportunities to make William C. Overfelt high school known as one of the best schools in the Valley, with or without a building of our own!

Dr. Frank Fiscalini, who has been superintendent of the ESUHSD for 25 years, gave up his post to take over as president and chief executive officer of Alexian Brothers Hospital.

Dr. Fiscalini has served the ESUHSD well. He has been considered an efficient administrator and has guided the ESUHSD from one small school to one of the largest high school districts in the state. As superintendent he oversaw a \$60 million budget and 1,500 employees. Dr. Fiscalini was respected by parents, teachers, and students. He will be surely missed.

Who played varsity football and baseball in college? DR. REU-BEN TRINIDAD, Overfelt's newest Associate Principal, has done this and much more! He received his B.A. and M.A. at the University of Colorado and he received his Ph.D from the University of Northern Colorado. His favorite saying, "Enjoy people of all ages," reflects his care for people.

MR. PAUL M. WILSON is a twenty year veteran at Overfelt. He was here when the school first opened. Mr. Wilson went to Cal Poly and San Jose State University. He graduated from California State Polytechnic University. He has a B.S. in Mathematics and M.A.'s in both Math and Education. Paul Wilson did not coach any sports this year, but he was an advisor for a few clubs and classes.

"You got it Jack," is SAMUEL DAVIS'S favorite saying. He is a graduate of San Jose State with an M.A. in History. He was an All-American in Track and Field and a member of the 1968 Olympic Team.

### Principal's Message

Twenty years ago your principal had the honor of being one of the original Overfelt teachers. He was a young man starting his career in education as a Social Science teacher in the newest, most innovative school facilities in the country. That year people from all over the United States came to visit and the future seemed bright.

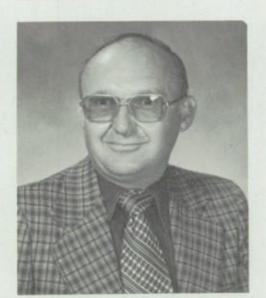

Over the years I have seen many changes take place and our school, like all schoools, has had its high and low times. The opening of Mt. Pleasant, Oak Grove, Silver Creek, and Yerba Buena saw our student body split and our staff moved into the new schools. Half of the principals of the East Side Union High Schools were once on the Overfelt staff.

Great Overfelt traditions have been established over the years. Successful scholars and athletes have made their mark in the world. Few schools can boast of presidental scholars, world record Olympic champions, and world champion super bowl quarterbacks as former students. We can!

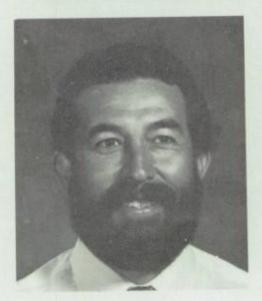

Overfelt's past has been great and the future still seems bright. This has been, is, and always will be a great school.

I am personally very proud of my association with the school, staff, and students, and assure you that this indeed is a school of which we all can be proud.

HAPPY 20TH BIRTHDAY, OVERFELT.

MR. FLOYD D. SEITZ is the Title I coordinator for our school. He attended Emporia State University where he obtained his M.S. in Business Education. Mr. Seitz also has Secondary Teaching and Administration (life) credentials.

RICHARD ESPARZA was one of the coaches for the high school state wrestling champions, 1978-79. He is also an advisor of the La Raza Unida Club. Mr. Esparza is a graduate of San Jose State University with a B.A. in Industrial Education. He also has a teaching credential.

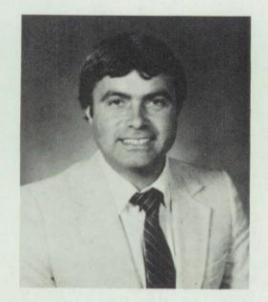

#### COUNSELING-

### People helping people

The counseling department consist of people with diverse backgrounds, cultures, and experiences. Every member of the counseling staff holds a M.A. degree in counseling psychology.

The major goals of the counseling staff is to improve the quantity and quality of counseling and guidance. The guidance staff is working to improve student social, personal, career, and educational development.

DIEGO CERTA is our head counselor this year, and well deserved. He has been here 11 years. He is a University of Santa Clara graduate and holds an M.A. in counseling psychology. Mr. Certa was born in Sicily and has traveled and lived in South America. His favorite saying is, "Nos Cubris Glutius Est," and he was also one of this year's varsity football coaches.

"You can if you think you can," is what KAREN MATHIS often says. She was an advisor for both the Class of '84 and the B.S.U. this year. Mrs. Mathis will graduate alongside the Seniors this year, but obviously not from Overfelt. She will receive her M.A. degree in Business from San Jose State University, June, 1982.

"Life is worth living," is RON F. EGCASENZA's favorite motto. He is a Vietnam veteran and is presently the advisor of the National Honor Society. Mr. Egcasenza holds a B.S.

degree in business from the University of Santa Clara and an M.A. in

education from San Jose State.

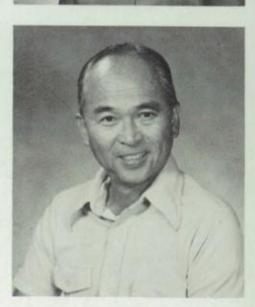

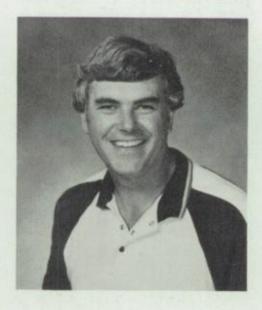

MISS BORELLO has been here at Overfelt since it opened in 1962. She attended San Jose State University and graduated with a A.B. and an M.A. Her major was Physical Education and her minor was Biological Science. Ms. Borello has Pupil Personnel and Administrative credentials, and has recently become a counselor.

"Hang loose," is PAUL LO's favorite saying, which is no surprise since he graduated from the University of Hawaii. He received his M.A. from San Jose State University in Education. He has been here since the school opened (20 years) and he states he still has the motivation and energy to go.

MR. JOHN CALI played college football on a football scholarship while studying for his B.A. in Physical Education at Idaho State. He did his graduate work at San Jose State University where he obtained his M.A. degree in Counseling. Presently, Mr. Cali is still very active in sports and was a coach for the Varsity Football Team. He also was an advisor to the C.S.F. Club.

MRS. IRMA GONZALEZ-MO-RALES, former Overfelt graduate, is a first year counselor. While a student here she earned a perfect 4.0 GPA. She was one of the first persons selected for the Overfelt Wall of Fame. Mrs. Morales attended both the University of Santa Clara and the University of California. She has an M.A. degree in Social Welfare and a Pupil Personnel Service credential.

# Sensational Seniors

It's not easy being a Senior, sweating through civics, filling out hundreds of college applications, studying for finals, hoping that Mr. Frazee doesn't raise the rent on our pay packets, and enduring the concepts of Leon-ology. "It's quite a dilemma."

Who could forget the surprise spot of the annual Senior picnic, meeting Mickey in Disneyland, or touring through Universal Studios. Remember those secret nights in Hawaii? Don't worry mom, we behaved ourselves.

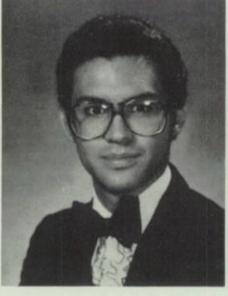

Who caught Senioritis, donated blood at the two blood drives, sponsored the Jack Emery Drive, and raised \$3500 selling candy?

Who yelled their lungs out at the rallies and took a whole day getting ready for the prom? Who never missed a fun-filled "Senior Cut Day", but cheered at the football games, and partying at McDonald's afterwards.

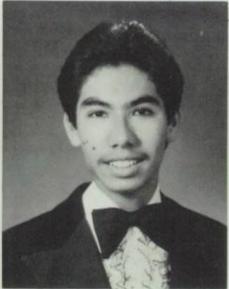

Who else but the Class of '82!

Senior Class Officers: Jose Zeledon (Secretary), Jeff Kabahit (President), Miguel Gomes (Vice-President), Leticia Lopez (Treasurer).

## Baby Royals

On their first day as Freshmen, 400 Baby Royals experienced first day jitters, orientations, new teachers, new faces, and a Senior prank that left many scrambling for their classes.

With the excitement of high school, Freshmen did have spirit and proved it by being the loudest and most spirited class at the Homecoming Rally.

Many good things are expected from the class of '85. With help from class officers and class advisors, the Freshmen class will indeed have a healthy treasury. Many activities and events are planned for the coming years as Freshmen look forward to being Sophomores.

## 'We are looking for a few good members' -

The Activity Carnival gave students an opportunity to join clubs of their choice, and the clubs gained numerous members through this successful event. The activity carnival was held during lunch in the lower quad on October 1, 1981.

An award is given to the outstanding club of the year. The Black Student Union has received this award for the past two years.

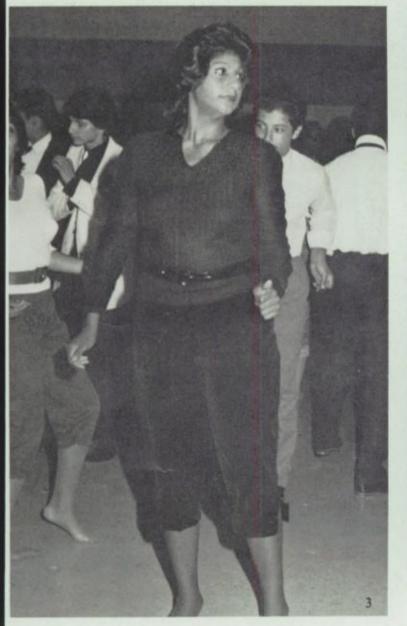

- B.S.U. members gather to recruit new members at the Activity Carnival: Tamika Cordova, Donna Campell, Will Grayson, Marsell Terry, Shirylynn Freeman, and Lisa Yarbrough.

- La Raza Unida sold club T-shirts to earn money.

## High stepping Royals kick-off year

Students began the year by getting together at the annual Kick-Off Dance. Nearly 300 students and guests attended. The dance was sponsored by the Black Student Union. Music was provided by Disco Dave.

- On October 18, 1981 the Royals gathered in F-5 for the annual Kick-Off Dance.

#### SPIRIT WEEK-

## Balloons, streamers show Royal spirit

Bright-colored streamers and balloons are hung by spirited Royals during annual Spirit Week festivities. Decorating the campus halls is one way classes show their Royal spirit. The seniors demonstrated spirit by winning the hallway decorating while the juniors won for best male cheerleaders.

- Spirit week puts the school in a festive mood. Sophomores made a strong effort to decorate the E wing.
- 2. Listing slighty to port, Greg Alvarez leads the class of '84 in cheers.
- 3. Now everyone knows why these two have a hard time getting any work done. Ron Cueba and Doug Day are smothered by the senior's blue and white balloons.
- 4. Seniors decorate the B wing to win the hallway competition.
- "This is tough work." Dee Dee Cook does her best to drain the baby bottle during noon time competition.

## Coronation for Rios, Millan

A big event during the year is the selecting of the Sports King and Queen. Fall sports teams selected candidates for king and queen. The final selection was made by a vote of the student body. Angel Rios and Laura Millan were selected to reign as this year's king and queen.

- Sharing the first dance, Angel Rios and Laura Millan swing to the sound of the music.
- The Royal court: Paul Heras, Blanca Pinon, Angel Rios, Laura Millan, Maria Rios, and Will Villalobos.
- Nominated for queen by the F/S Football team is Maria Rios with her escort Ed Vega.

## Spirits are high

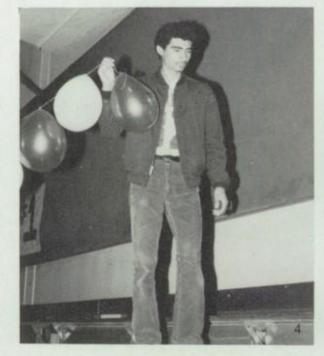

One of the great promoters of spirit is rallies. This is one time when the classes get together and compete in games, skits, and decorate the gym to promote school spirit. The Homecoming Rally was held before the Piedmont Hills game on October 30.

- Showing their talent, Boogie Stevens, Hope Owens, and Will Grayson pop on down to the sounds of Prince.
- Up, up, and away Melinda Miller holds onto the balloons given out at the Piedmont Hills game.
- At the Homecoming Rally the Junior class cheerleading competitors are Jose Jimenez, Aaron Sanchez, Danny Torrez, Ramon Castillo, and Freddie Jackson.
- Many students were up at 5:00 this morning to decorate the gym for the Homecoming Rally. Among them was Raul Randez.

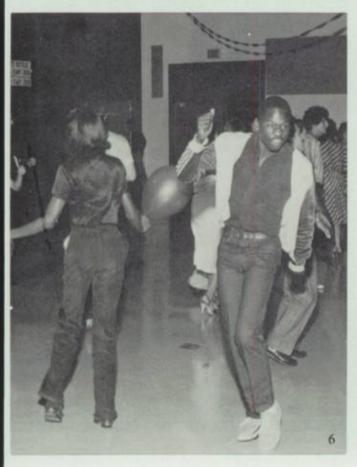

## Get down! Royals crowned

Excitement and fun charged the atmosphere at the Homecoming Dance. Great sounds were provided by James Geibig and Juan Castillo, former students. The dance was sponsored by the Junior Class. The focus of the evening was the crowning of King Angel Rios and Queen Laura Millan.

- Tipping his hat, Angel Rios along with Queen Laura Millan are presented to their subjects.
- Dance, dance, dance Mario Harvey does the latest dance, the Flamingo Stroll.
- Two's company, but what are the rest of you doing here? Xavier Campos, Stella Dao, Javier Torres, and Jackie McIntyre gather around as Duane Morgan holds onto Kathy Cook and Charlotte Prough.

#### DECATHLON-

## Academic Team Impressive

Taking first in Social Science, Ramil Manzano led the Overfelt squad to a ninth place finish in the Academic Decathlon. John Marquez received a silver medal for his interview. Richard Mathis earned a bronze medal for careers and he also won a bronze medal for science. The team placed third in the prestigious Super Quiz. The Academic Decathlon was held November 21, 1981, at Piedmont Hills High School. A total of twenty-two Santa Clara Valley high schools competed. The teams were split into three sections according to GPA. The decathlon consisted of seven written test of academic strengths and three verbal demonstrations.

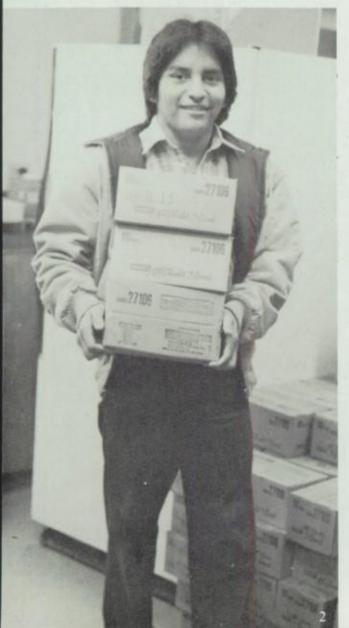

- Gold medal winner Ramil Manzano, silver medal winner John Marquez, and bronze medal winner Richard Mathis pose for the camera after the competition.
- Academic Decathlon team: Mr. Kraus (Coach), Ramil Manzano, Stella Dao, John Marquez, Paul Heras, Jorge Fernandez, John Danis, Richard Mathis, Mrs. Hufnagel (Coach).

- The music review was handled by Mr. Day, shown here with Stella Dao, Jorge Fernandez, and Ramil Manzano.

## Acne on rise as Seniors sell 21,000 candy bars

The Senior class concluded the most successful candy sale ever on November 18, 1981. They sold 350 cases of Hershey's chocolate bars with almonds. The income from the candy sale boosted the already bulging treasury by over \$3,500.

Historically, seniors use the money earned from the candy sale to finance activities throughout their senior year. Over \$1,000 will go to finance the Senior Picnic. Candy monies pay for the rental of the site, transportation, and lots of steaks and other great food. Candy monies will help to improve and reduce the cost of the Senior-Junior Prom. The class of 1982 has also set aside \$300 for their five year class reunion. The remainder of the money will go towards the cost of graduation, class gift, and the cost of the senior section of the yearbook supplement.

Seniors earned valuable prizes by selling candy. If a senior sold one case of candy, he or she earned free entrance to the Senior Picnic. The two top salespersons, Kathy Fangonilo and Raul Randez, earned \$25.00.

- Seniors picked up candy from the student store before school, during brunch, or during lunch. Mark Espinosa hands out a case of sixty candy bars.
- "I wish I could eat some," says John Espinosa as he moves some cases up to the window.
- Thinking of the prizes she can win, Beatriz Franco picks up her second box of candy.

## Senior Class sponsors Jack Emery Drive

Jack Emery was a local businessman who expressed his concern for others by personally sharing food and clothing with families in need. In 1951 he became the general chairman of the United East Side Christmas Basket Fund. Jack Emery died in 1952, and from that point on the project became known as the Jack Emery Memorial Food Basket Drive.

Twenty-nine years later thousands of students participated in canned food drives at their schools. Overfelt students helped out by donating over 250 cans of food and \$600.00

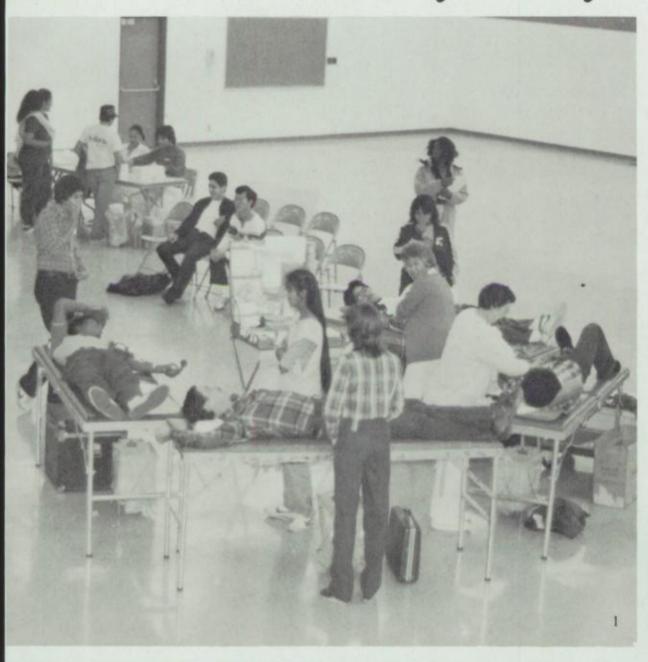

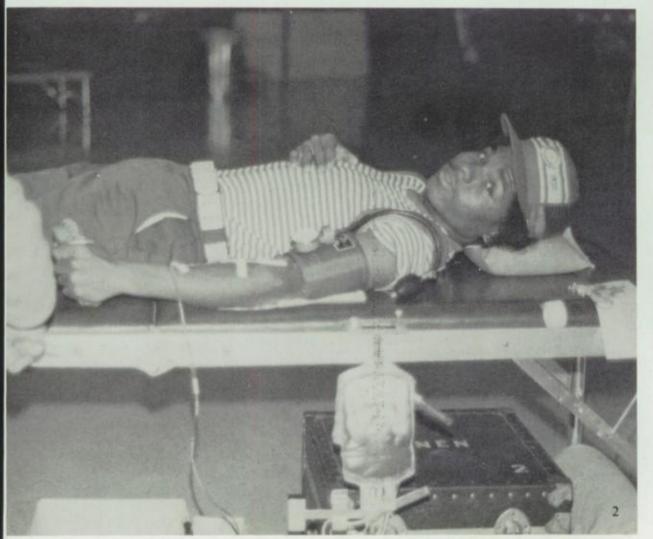

- Keeping track of each class's donation was the job of the chairperson, Maria Cardenas.
- Senior Class advisor, Mr. Owens, collects cans from Mario Garcia at the Christmas Dance.
- Helping move the cans to James Lick for distribution is junior Rey Martinez.
- The empty boxes soon filled with hundreds of cans donated by students and staff.

#### **BLOOD DRIVE**

## Dracula bleeds Royals dry

For the third year in a row, seniors exceeded their goal for the Red Cross Blood Drive. Students and faculty joined to donate 54 pints of blood. The Red Cross set up their mobile blood station in the F building on November 12, 1981. The Blood Drive was sponsored by the Senior Class and aided by the National Honor Society and the California Scholarship Federation. Chairman for the Blood Drive was Miguel Gomes, Senior Class Vice-President.

The most difficult part of any blood drive is overcoming the student's fear of needles. Miguel Gomes said, "I closed my eyes and thought of something else." Donating blood takes only a painless 45 minutes and you get great cookies and juice. Asked why they gave blood, Jeff Kabahit said, "To help others who need blood," and Jose Zeledon said, "It was for a good cause."

The class of 1982 is expected to donate more blood than any other class because for the first time there will be a second blood drive in April of 1982.

- After filling out a brief information sheet, having their blood checked for iron, and picking up their blood bag, blood donaters head for the blood donating tables. Student volunteers helped nurses during the blood drawing process.
- It doesn't hurt, honest! Will Grayson squeezes a rubber ball to help promote blood flow into the collection bag.
- First year couselor Mrs. Irma Morales-Gonzalez receives juice from John Hudson after donating blood. Blood donors are required to rest for 15 minutes after donating blood.

- Valdez, "What are you saying, Miss Ainslie?"
  3. "Do you suppose I married a feller that would be giving me notes that someone else wrote for him?!" shouts Angie Baraona to Mark Espinosa.
- 4. "I read a story that was about a feller full of evil spirits. He hypnotized a gal so she would not tell anybody he robbed a bank," says Angie Baraona to Traci Smith.
- 5. "I'm so happy to see you Bernice!" exclaims Ruth Thorne, played by Rebecca Jennings, to Bernice Carlton, played by Irma Gonzales.

## Valdez, Hewitt, Jennings star in LAVENDER AND OLD LACE

Miss Ainslie has kept a secret hope alive for many years. She has waited faithfully for the return of an old love. Not until Carl, a young newspaperman, happens on the scene does she realize that she need no longer live for the past. She discovers that Carl is the son of her love who died several years earlier.

In addition to this serious major plot, other subplots provide romance and comedy. Carl meets Ruth Thorne, a young woman staying with Miss Ainslie, and love blooms. Some very funny moments are provided by Hepsey, the maid, and Jane Hathaway, a neighbor, as they win their men after very long engagements.

## Let's Groove Tonight!

An exciting event took place on stage on February 19. The Black Student Union sponsored its annual Talent and Fashion Show. Their theme, "Let's Groove," set the mood of the evening. The contestants competed in three different categories: singing, dance, and drama, providing variety for the evening. Awards were presented for the best performance in each category, including one for the most cooperative act. The winners were Michael Bridges for singing, Pop Along Buggers for dance, Alice Young for drama, and Lilian Sanchez for most cooperative. A plaque was presented to Mr. Davis for his constant assistance and cooperation throughout the show. Everyone did a great job and helped to produce a fine show.

The profits were used for scholarships and various club activities.

- The culmination of the evening was the presentation of awards to the winning acts. B.S.U. advisor, Mr. Hurndon, quiets the audience as he announces the winners.
- Much of the sportswear worn by the models was donated by local clothing stores. Models, Tracy Banks, Pamela Singleton, Andre Stevens, Tamika Cordova, Lisa Yarbrough, Will Grayson, Karen Carr, and Glendora Howard display current fashions to the delight of the crowd.
- Awing the audience with their new wave antics are the Intruders: Freddy Fimbrez, Tony Garcia, and Julio Garcia.
- Lovely Lilian Sanchez entertains the crowd with her rendition of "Never Love This Way Again."

## Moving Towards Revitalization

In two and a half months, an area badly in need of repair was transformed into a pleasant place. Valley Crest Inc. finished the job in February. The estimated cost was over \$85,000. Mr. Davis said that Valley Crest did a nice job. In addition, twelve concrete picnic tables and benches were added. Mr. Davis asked that the students care for the school property. The C wing construction is just the beginning of many improvements that will be done. Some of the improvements to come will be the painting of the school, the replacement of the upper quads wooden benches, and the rebuilding of the science wing.

- After the old concrete was removed, tractors began to level out the ground for the placement of bricks.
- Before the ground can be leveled, tractors dig out tons of dirt and make trenches for the new sprinkler system.
- 3. Between classes construction workers were able to work; when the bell rang work was brought to a halt by the movement of students going to class.

# William C. Overfelt High School ROYAL ODYSSEY

The emphasis in the journalism class this year was on taking a fresh look at the school and the newspaper. Beginning with changing the paper's name to the ODYSSEY, things were different throughout the year. There were special editions for Homecoming, Christmas, photography, and student writings.

Editorials sparked campus interest and students talked back through letters to the editor. Columns appeared as regular features; Becky Perez wrote on student body issues and Jeff Kabahit kept the seniors informed of class doings, while the roving reporter polled students for opinions.

The young tigers showed the way at the beginning of the year as freshmen Crystal Witherspoon and Audrey Salazar and sophomores Nancy Hall and Janet Toilolo worked hard in snooping for stories. This could mean an even better ODYSSEY in '83.

- 1. Mr. Doug Day (Advisor), Janet Toilolo, Jesus Hernandez, Crystal Witherspoon.
- 2. Audrey Salazar, April Orr, Kellie Rath.
- 3. Bryan Hewitt.

## Lacson, Editor

For some reason, the word "deadline" came to be a thing to reminisce about for members of the CITADEL staff. Visions of lost pictures, unfinished layouts, extra-long copy, and typewriter and typist shortages were often associated with this word. Between deadlines, a passerby could find these people kicking back and exchanging stories about weekend extravaganzas. Deadline weeks seemed to pounce unexpectedly upon these ambitious people and the clackety-clack of typewriters and the sound of frustrated moans could be heard from M-5 long after school was dismissed and on many weekends. Strangely enough, this either became the habitual pattern of the yearbook staff or evidently they decided they liked to work under pressure.

- Mr. Ron Cueba (Advisor), Maria Cardenas (Copy Editor), Eva Lacson (Editor-in-Chief), Trinity Ledesma (Layout Editor).
- Gena Gonzales (Senior Editor), Nancy Peneff (Staff Editor, Club Editor).
- Manuel Quinonez (Photographer), Ray Arell (Photographer).
- Typing: Maria Barraza (Underclass Editor), Karen Carr (Activities Editor), Standing: Nina Owens (Club Editor, Staff Editor), Raquel Trasina (Staff Member).

#### Take Note: The band is back

Music has returned! After two years of silence, an active group of just 24 students produced a marching band, jazz band, pep band, brass choir, and concert band

The most visible was the marching band. "Heavy practicing and being in tempo was hard work but we did it!" said Teresa Guillen. Practicing hard at 7:15 every morning for four weeks really prepared them for an excellent performance at the Homecoming against Piedmont Hills.

All of the bands included volunteer members who devoted their time and energy to make this year's debut a success.

- All of the attention is focused on the band director, Mr. Day, as he conducts the band during halftime at the homecoming game against Piedmont Hills.
- The rhythm section of All That Jazz: percussionists Pat Taha and Teresa Guillen and keyboard wizard Ricardo Rangel.

The best of Overfelt's musicians got together to form "All That Jazz." Starting with the Christmas vacation, the devoted members voluntarily put in the early morning and weekend hours it took to prepare for performances. After a mere six weeks together, All That Jazz entertained the crowd at the B.S.U. Talent Show. Add a couple of junior high school performances and an appearance in the spring concert and it's obvious that the district's only volunteer jazz band is also the most dedicated. Encore! Encore!

The horn section: saxophones William Cook, Donato Navarro, Kerri Dean, and Gwen Zabala; trombones Jennefer Yoon, John Kabahit, and Pierre Te; and trumpets Jeff Kabahit, Greg Phillips, and Juan Najar.

Third row: Tom Collins, John Kabahit, Bryan Hewitt, Pierre Te, Mr. Douglas Day.
- Moving from class to class, the Brass Choir (Jeffrey Kabahit, John Kabahit, Pierre Te, Greg Phillips) played Christmas Carols for the enjoyment of students and teachers.
- An important member of the band, Drum Major Jeffrey Kabahit leads the band during the Royal's Fight Song.
- Marching to the music, the band gave a superb performance at the homecoming game against Piedmont.

The first College Motivation Day was held on Saturday, January 9, 1982, in I-1. The primary goal of the conference was to motivate and encourage Hispanic senior students to seriously consider higher education as a realistic and practical alternative towards meeting their soci-economic needs. The selection of professional and student speakers was made for the purpose of serving as "rolemodels." All the speakers that spoke at College Motivation Day were Overfelt graduates. Among the 1981 graduates were Jose Martinez and Dora Lopez (Most Outstanding Senior of '81); both are now attending the University of Santa Clara.

## Song Girls best in memory Cheerleaders perform at 49er game

"Hey, crowd! Yah? Hey, crowd! Yah? Introduce yourself." These sounds were frequently heard during rallies and games helping to promote spirit and encourage our athletes. The song girls and cheerleaders began practicing in March of last year. They put in many practice hours after school and during the summer. In July they attended a USA spirit camp where they perfected their spirit leading. All this hard work paid off. At the football banquet Coach Certa said, "The spirit leaders are the best that I have seen in my eleven years at Overfelt." The song girls and cheerleaders performed during the half time of a 49er football game.

- Cheering on the Varsity Football team are mascots Melinda Miller, Anna Almazon, and cheerleader Mona Peregrino.
- On the ground: Roxanna De La Cerda, Andrea Mariscal, Danny Keydeniers, Olivia Ortiz, and Nora Campos, captain. Standing: James Enriquez. In the air: Mona Peregrino.

## Royals tackle foes

Dedication, enthusiasm, and a neversay-die spirit are characteristics that the Royal Varsity Football Team displayed throughout the 1981 season. The coaches and players began with spring practice in May. More than 100 varsity and frosh/soph hopefuls turned out at 7:00 A.M. for workouts. They continued working thoughout the summer. The varsity team competed in a passing league where they compiled a four win, one loss record and earned the right to enter the league finals. Players also lifted weights three nights a week to build strength and stamina. It was unfortunate that all the hard work resulted in an unproductive league record.

Although the varsity team did not win a game, they fought hard and were competitive in almost every contest. The players were praised for the hard hitting and valiant effort they displayed throughout the season.

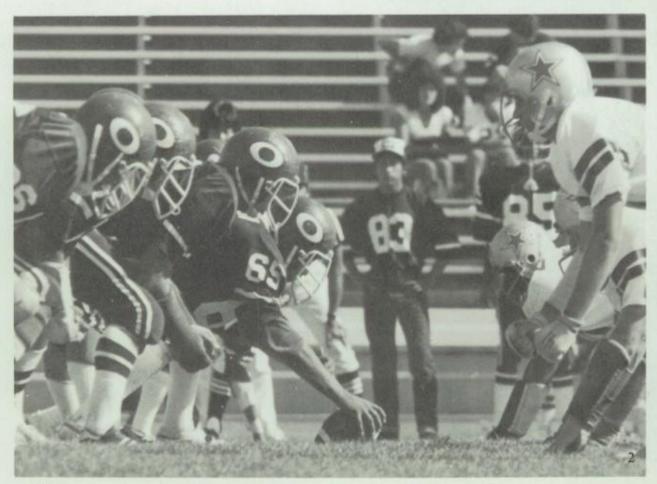

Coach Certa cited several players as making an outstanding contribution to the Royal cause. Lamont Witherspoon was elected as second team all-league at the tackle position. Roy Hibbs, allleague honorable mention, was a real team player and dedicated to the game. Angel Rios was a stalwart defensive back and wide receiver. Angel was also selected for all-league honorable mention. Manuel Gonzalez was cited as a real team leader and a great competitor. Carlos Carrillo anchored both the offensive and defensive lines. Manuel and Carlos were also selected for all-league honorable mention.

The dedication, hard work, and team play of this year's varsity team will stand as a model for future varsities.

### -FOOTBALL-

- Taking a few moments rest on the defensive line, Carlos Carrillo awaits the visiting team's offense.

- Anxiety, disappointment, hope, and exhilaration are feelings that coaches have during a game. Coaches Cali, Certa, and Barnes look on during Overfelt's 20-0 loss to Independence.

## Fourth consecutive winning season for F/S

"We came within three plays of winning it all," said head coach Ron Cueba. So went the up and down season for the Frosh/Soph Football Team. With only one returning starter from last year's team, the F/S footballers struggled during the early games before turning into a fine football squad. A league record of four wins, three losses, and two ties placed the young Royals fourth in the league standings. It was significant that the Royals defeated the first, second, and third place teams.

Several players were cited by the coaches for outstanding team play. Tony Randall, quarterback, led the team in passing with a .494 completion average. He was also the punter and handled kick-off duties. Tony, only a freshmen, was selected as the team's most valuable player. Armando Caro and Greg Alvarez were praised for their work at the guard position. Fred Decker and Ruben Mitchell, team captains, were praised by Coach Cueba as being real team leaders. Ed Vega and Carlos Talavera were outstanding at both linebacker and fullback positions. Tommy Tumalo, most inspirational, displayed determination at the linebacker position. Mark Fangonilo, the leading tackler on the team, was cited for his quickness and his aggressive play throughout the year.

- Giving the quarterback time to throw is the job of the offensive line. Greg Alveraz (No. 68) and Ruben Mitchell (No. 58) give Tony Randall (No. 17) time to throw a long bomb against Pioneer.

## Varsity 3rd in M.H.A.L. finals

 Practice is essential, says coach Steadmen during summer cross-country practice.

 Varsity Cross Country: Kneeling-Sean Crowley. Standing-Bruce Marzett, Hector Serrato, Paul Heras, Rey Ibanez, Jerry Soriano, Luis Gonzalez.

 Great mental endurance and Overfelt pride keep Rey Ibanez going in a meet against Piedmont Hills High School. Across the steep hills of Alum Rock Park, along the tree-covered trails beside Penetencia Creek, through smog, fog, mist, and rain, a small band of dedicated athletes endured miles and miles of running. Their goal was the M.H.A.L. cross-country championship.

The varsity failed to reach their goal, but it was not from lack of effort. With a record of six wins and three losess, the varsity placed fourth in dual meet competition, but placed third in the M.H.A.L. finals.

Singled out for special praise by Coach Steadman were Paul Heras, Sean Crowley, and Hector Serrato.

- Cross country coaches and timers: Coach Monty Steadman, Ruth Villanueva, Clara Gonzalez, Eva Guerrero, Coach Bob Kruas.

# Girls run with pride

The female harriers showed steady improvement during the year. The team members endured five to six miles of daily running to gain the strength and stamina to compete in the tough M.H.A.L. Despite a ninth place finish, the team worked hard and placed one member, Monica Olmos, on the all-league team.

Tina Lei, a sophomore, smashed the school scoring record by scoring 49 points against James Lick and was chosen as the team's most valuable player. Becky Perez remarked, "The team got off to a slow start but once we knew each other, we had a good team." The squad will be back next year except for two seniors; Becky Perez and Glenda Turner. He led the team with the most shots, points, and rebounds. Rogelio made the All-Tournament Team in two out of three tournaments the team participated in. Hard work, effort, and spirit were all part of the men's soccer team. The team included only four seniors, and of those four, only two were experienced. The remaining members of the team were primarily freshmen and sophomores. At the end of the season, the team's overall record was 3 wins and 11 losses; their league record was 1 win and 8 losses. Despite their losing season, Jorge Ibanez was selected for first team all league. Jorge was also chosen as the most valuable offensive player. The defense improved-shutting out four teams and holding five teams to one goal. The top scorers for the team were Denise Lucido and Bonnie Durham. The varsity volleyball team posted its best league record ever, 9-1, and 13-2 overall. Under the direction of first year coach Vaughn Ulm the girls placed second in the M.H.A.L. The second place finish earned the Royals the right to be the first girls team to advance to the Central Coast Section playoffs. Unfortunately they were defeated in the first round of play.

The team was led by four young ladies that earned varsity letters for four years. Tina Le and Becky Perez earned all-league honors. Shelia Martinez was honorable mention and Kathy Fangonilo played well all year.

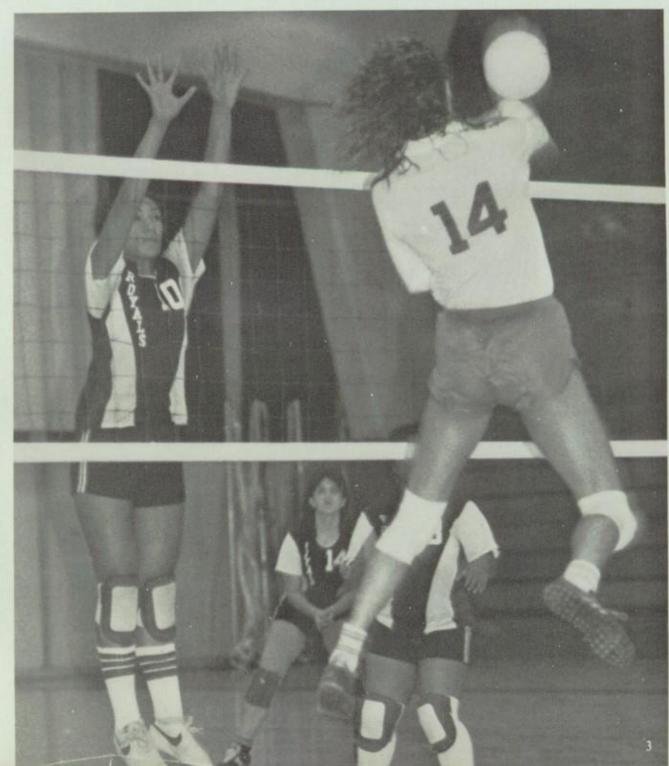

- 4. The brains behind the team are the coaches. Coaches Kuntz and Ulm are intent on the game.

- Not half as mean as this picture makes her out to be, senior Nancy Peneff awaits a serve during a practice match.
- A crowd of rowdy juniors hams it up for the camera. Jackie McIntyre, Stella Dao, Christine Macaspac, and Vickie Jacobs have ten years of varsity experience among them.

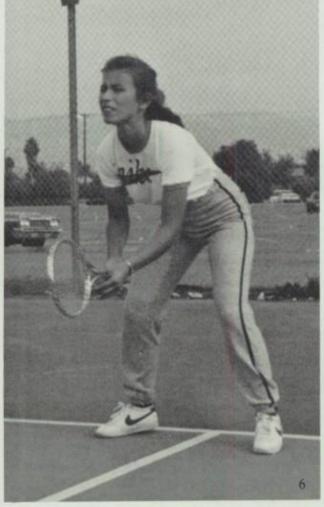

# 2nd in division

Maturity was the key to the success of the Women's Tennis squad. Seniors Cindy Gomez, Nancy Domingo, Janet David, and Denise Lucido provided the poise and wisdom that set the tone for the year. They were just four of the 11 returning letter winners from last year.

The team was powerful enough to freely use junior varsity players in varsity matches and finally managed to earn the respect of the perennially tough team from Piedmont Hills.

It has been a hard climb up from previous years, but the spirit of Overfelt Tennis stands on the threshhold of greatness.

The CITADEL staff has had a great amount of assistance in the publication of the 1982 CITADEL. I would like to give recognition to those individuals who have aided us and extend to them the credit which they deserve.

Many thanks to Mr. Phil Silveira and Mr. Ernie Umemoto of Western School Portraits for providing us with their photographic skills; to Mr. Steven Taddei for his time, patience, and photographic knowledge which aided us in producing much-needed photographs; and to Portrait World Studios for the pictures of the underclassmen.

My thanks go to the administration for its cooperation; Mrs. Florence Henick, the school bank clerk for assistance with yearbook sales; the secretaries, Mrs. Ruth Currier, Mrs. Susan Flores, Mrs. Marie Hardison, Mrs. Rose Magnoli, Mrs. Dorothea Richert, Mrs. Pam Mitchell, and Miss Patty Mullins and the registrar, Mrs. Marybeth Chambless, for their endless help throughout the entire year. I would also like to thank those faculty members who showed their interest in the production of the yearbook, Mr. Doug Day for the layout of the cover and general editing, and Mr. Preston Brunst for his editing and helpful ideas.

The CITADEL staff is very grateful to the businesses who advertised with us. The money received from their advertisements make it possible to make the 1982 CITADEL a better book. I also would like to thank the parents, faculty members, and friends who supported the yearbook by purchasing sponsorships.

We give thanks to Herff Jones Yearbooks, publisher of the 1982 CITADEL, and their local representatinve, Mark Dossey, for his assistance and vital information.

Many thanks to my hardworking and dedicated staff who have put in much time and effort to complete their sections. If not for them, this book would have never been published. Special thanks goes to those individuals students not on the yearbook staff who helped us on their own time, Manuel Gonzales for his artwork and Greg Delgado and Jorge Fernandez for their photography. I would also like to thank Mr. Ron Cueba, our yearbook advisor, who assisted each one of us in the creation of this yearbook.

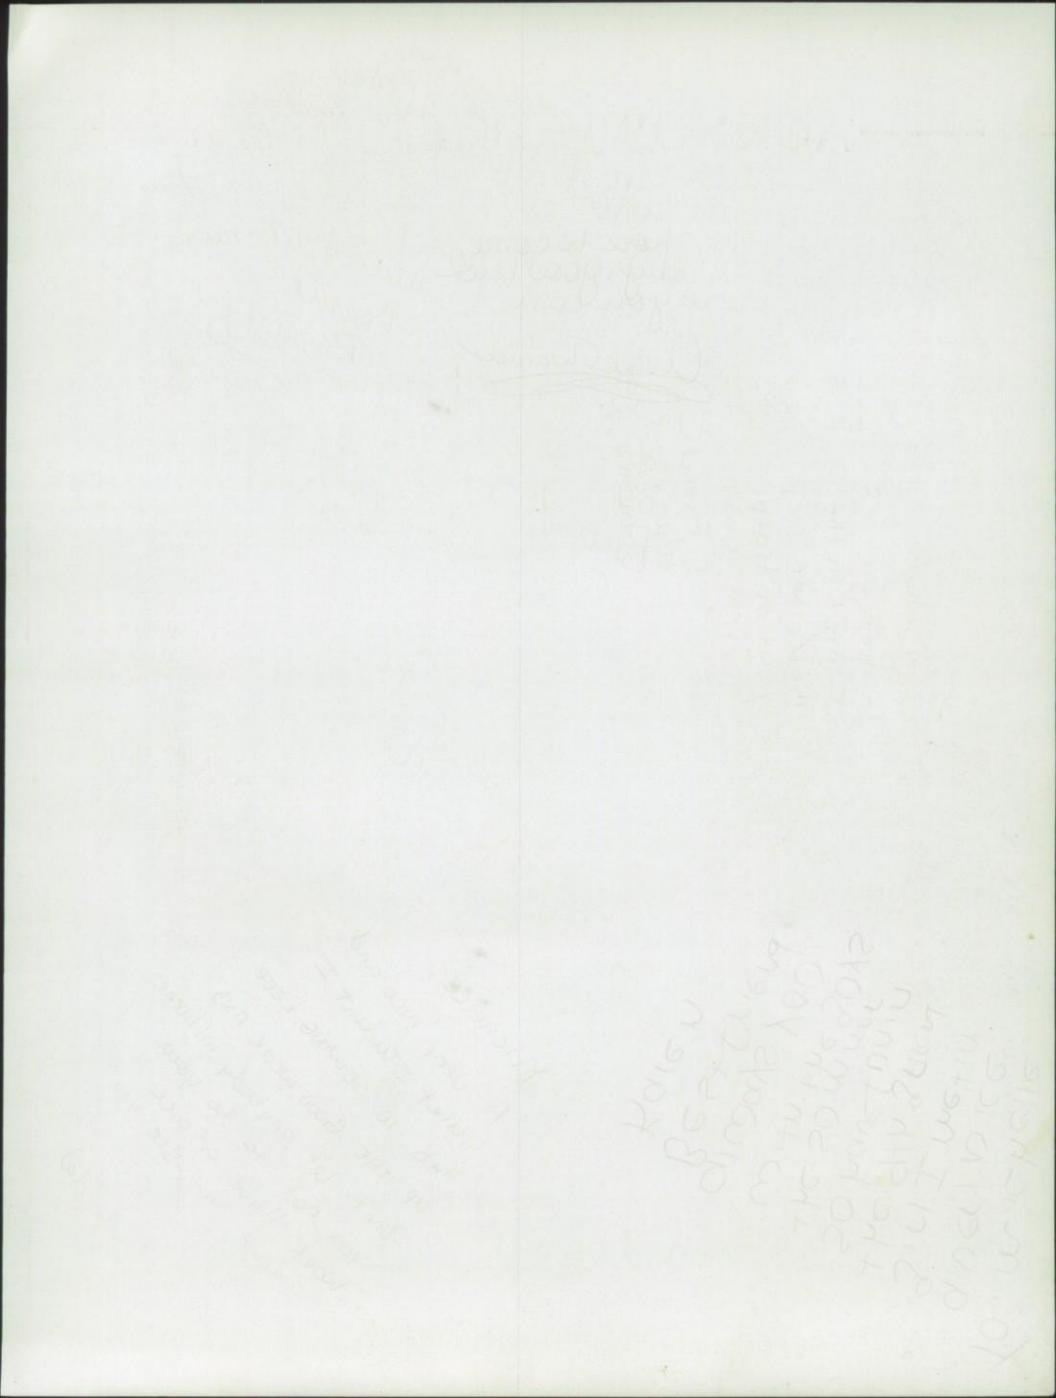

Finally, I would like to thank the students of William C. Overfelt High School; without you this book would have never been possible. We truly hope that this yearbook has brought together memories that will long be cherished.

Sincerely,

Another newer wall decoration at her ranch is a navy blue and white pennant with the words "Royals" and "W. C. Overfelt" written on it. This is perhaps her best reminder of the progress in education that her father had wanted for the Eastside.
